

MSDS- ALPHABET BABY/HYGIENE WIPES

Data: Feb 16, 2016

IDENTITY (As Used on Label and List)

Product Name: Alphabet Hygiene Body Wipes

Importers Name:

Pricebreakers Pty Ltd

Address (Number, Street, City, State, and Postal Code):

3 Hume Str, Huntingdale, VIC, 3166

Emergency Telephone Number: +61-3-9568-6944

Fax Number for Information: +61-3-9569-9850

Contact Person: Clive Hendler

INCI Name: % in Product CAS No.:

Aqua 97.58% 7732-18-5

Propylene Glycol 1% 57-55-6

Glycerin 0.5% 56-81-5

Aloe Barbadensis Flower Extract 0.25% 85507-69-3

Lauryl Glucoside 0.05% 27836-64-2

Phenoxyethanol 0.4% 122-99-6

Polyaminopropyl Biguanide 0.15% 133029-32-0

PEG-40 Hydrogenated Castor Oil 0.05% 61788-85-0

Citric Acid 0.02% 77-92-9

NFPA Ratings:

Health: 1 Flammability: 0 Reactivity: 0

Emergency Overview:

WARNING! Harmful if swallowed.

Potential Health Effects

Route of entry: Ingestion.

Skin Contact: Soft, gentle, and hypoallergenic for sensitive face and skin.

Eye Contact: Irritation is not expected.

Inhalation: Not expected to be a significant exposure route. Vapor or mist may be irritating to mucous membranes and upper respiratory tract.

Ingestion: May cause gastrointestinal irritation with nausea, vomiting and diarrhea.

Skin Contact: Skin irritation is not expected. Should irritation develop, discontinue use. Wash affected skin

thoroughly with soap and water. Get medical attention if irritation or other symptoms develop or persist.

Eye Contact: Eye irritation is not expected. Immediately flush eyes with plenty of water for at least 15 minutes,

lifting lower and upper eyelids occasionally. Get medical attention if irritation persists.

Inhalation: Normal use of this product does not pose an inhalation hazard. Should respiratory tract irritation

develop, discontinue use and remove to fresh air. Get medical attention if irritation or other symptoms persist or

develop.

Ingestion: Seek medical attention immediately. Never give anything by mouth to an unconscious person. DO

NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration of liquid into lungs.

Flash Point (Method Used): N/A

Explosive Limits: LEL: N/A UEL: N/A

Unusual Fire and Explosion Hazards:

No unusual hazards expected.

Extinguishing Media:

Water spray, carbon dioxide, dry chemical powder or appropriate foam

Data: Feb 16, 2016

Fire Fighting Procedures:

In the event of a fire, wear full protective clothing and NIOSH-approved self-contained breathing apparatus with full-face piece operated in the pressure demand or other positive pressure mode. Absorb spill with inert material. Ventilate the area. Flush area well with water to remove trace residue. Surfaces may become slippery after spillage.

Handling: Do not eat or drink when handling. Use in accordance with product literature.

Storage: Store product at room temperature, dry, well ventilated area. Keep in a closed package. Protect against physical damage. Observe all warnings and precautions listed for the product.

Workplace Exposure Limits

Propylene Glycol: 5%

ACGIH TLV-TWA: Not established.

OSHA TWA-PEL: Not established.

Engineering measure:

No special controls required. Use general ventilation.

Personal Protective Equipment

Eyes: No special controls or personal protection required under conditions of intended use.

Skin: No special controls or personal protection required under conditions of intended use.

Respirators: No special controls or personal protection required under conditions of intended use.

In general, the components from which the nonwoven fabric has been constructed are free from injurious effects.

Similarly the chemicals, finishes and liquors applied are not injurious.

Appearance and Odour: Moist nonwoven wipe saturated with Nivea -scented liquid.

Boiling Point: Not available.

Melting Point: Not available.

Solubility (liquid): Complete.

Specific Gravity/Density: Not available.

Percent Volatiles: Not available.

Stability: Stable.

Materials to Avoid: Incompatible with strong oxidizing agents.

Conditions to Avoid: Flame and excessive heat.

Hazardous Decomposition Products:

Carbon dioxide and carbon monoxide may form when heated to decomposition.

Hazardous Polymerization: Will not occur.

Toxicity Data

Propylene glycol:

Oral LD50 rat: 20g/kg

Dermal LD50 rabbit: 20.8g/kg.

Irritation Eye rabbit: 500mg/24hr mild

Carcinogenicity: None of this product's components are listed by ACGIH, IARC, OSHA, NIOSH, NTP or the

European Directive (67/48/EEC).

Chronic Toxicity: Not expect.

Reproductive Effects: No adverse effects on reproduction are known.

Teratogenicity: Not expect.

Neurotoxicity: Not expect.

Mutagenicity: Not expect.

Environmental Fate: Sodium Benzoate is believed to be light toxic in the environment. Considering its tiny amount in this product and on the basis of available information, this product is not expected to produce any significant adverse environmental effects.

Chemical Fate Information: No data available for the product.

Waste Disposal: Dispose in accordance with federal, state and local environmental control regulations. Regulations may vary in different locations. Waste characterizations and compliance with applicable laws are the sole responsibility of the waste generator.
