MATERIAL SAFETY DATA SHEET

1.					
	Product Identification				
	Product Name: RINSE AID				
	Synonym(s): L0048				
2.	Composition/Information on Ingredients				
	Recommended use: Rinse additive in Automatic Dishwashing Machines Appearance: Clear blue liquid with distinctive odour				
	••	•			
	<u>Chemical entity</u> Ethanol		roportion		
2	Hazards Identification	64-17-5	<10%		
3.	The substance is not hazardous according to the Approved Criteria for Classifying Hazardous Substances [NOHSC:1008(2004)] 3rd Edition.				
	Classified as NON-Dangerous Goods for the purpose of transport by Road or Rail. Refer to relevant regulations for storage and transport requirements.				
	Poisons Schedule (Aust)/Toxic Substance(NZ): n/a				
4.	First Aid Measures				
	Poison Information Centres in each State Capital city can provide additional assistance for scheduled poisons.				
	Ingestion:Rinse mouth with water. Give water to drink. DO NOT induce vomiting. Seek medical assistance.Eye Contact:If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.				
	Skin Contact: If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor. Skin Contact: Wash contaminated skin with plenty of water. Remove contaminated clothing and wash before re-use. Inhalation: None necessary Notes to physician: Treat Symptomatically.				
E	Fire Fighting Measures				
5.	Specific Hazards: Non-combustible material.				
C					
ю.	Accidental Release Measures Slippery when spilt. Avoid accidents. Clean up immediately. Collect in properly labelled drums. Wash the spillage area with water.				
7					
 Handling & Storage Storage: Store in a sealed container. Keep container closed at all times. 					
8.	xposure Control / Personal Protection				
0.	National Occupational Exposure				
	No value assigned for this material by the National Occupational Health and Safety Commission (Worksafe Australia).				
	Exposure standards for constituents TWA ppm mg/m ³				
	Ethanol	1000	1880		
	Personal Protection Equipment				
	Respiratory: Not necessary				
	Skin Contact: Not necessary.				
	Eye protection: Splash proof chemical safety goggles if eye contact may occur.				
	Other protective equipment: Eye wash.				
	Work Hygienic Practices: W	ash thoroughly after handl	ing.		
9.	Physical & Chemical Properties				
	Form/Colour/Odour: Clear blue liquid with distinctive odour				
	Solubility: Soluble		_		
			<0
